

Spend an hour with Richie Owens, CFA, a seasoned instructor with over 20 years of experience, as he dives into key concepts in derivatives—one of the more challenging areas of the CFA® curriculum. Richie will walk through core topics, share practical insights, and leave plenty of time to answer your questions.

Whether you're preparing for an upcoming exam or just looking to strengthen your understanding, this is a great opportunity to learn directly from one of the best in the field.

Don't miss it!
